ARTICLE VII – CONTROL OF MINORS

SECTION 2-701: PURPOSE

1. Gang activity, criminal mischief and juvenile delinquency have become an increasing reality of life within the City. Such activity exposes the community to criminal conduct, lessens the citizens' sense of safety and well-being and generally erodes the quality of life our citizens have the right to expect and enjoy. The activities of youths age 18 and under can and should be controlled by their parents and/or legal guardians. Unless such parental responsibility is encouraged and ultimately exercised, criminal activity and incidents of juvenile mischief will continue unabated.

2. By reason of the foregoing facts, it is the recommendation of the mayor that the powers delegated by this article are urgently required for the general welfare, health, safety and security of the City and the citizens thereof.

SECTION 2-702: PARENTAL RESPONSIBILITY

For the purposes of this article, a parent or legal guardian of any person under the age of 18 years shall have the duty to exercise reasonable care, supervision, protection and control over his/her minor child or ward.

SECTION 2-703: CIVIL PENALTY

1. Any parent or guardian, except where the state or local unit of government is a guardian, who violates the provisions of this section shall be liable for a civil penalty. For violations of this article, the mayor or his/her designee, who shall be an employee of the City, shall levy a civil penalty according to the following schedule. The sequential violations provided herein shall be applicable to any and all violations occurring within any consecutive 48-month period of time. The chief of police shall forthwith notify the mayor or his/her designee of the name of the minor child or ward, the fact that the minor child or ward has been charged with and convicted and/or adjudicated of violating any state statute or city ordinance within the corporate limits of the City, and any other information of a non-confidential nature which is requested pursuant to policies and procedures approved by the City Council.

2. The mayor or his/her designee may, upon the request of the responsible parent or guardian, provide alternate methods for satisfying the civil penalty described above. Those alternates are as follows:

- A. The mayor or his/her designee may provide that the responsible parent or guardian and the child or ward may satisfy the civil penalty provided for herein by performing community service. Projects constituting acceptable community service shall be identified in the sole discretion of the mayor. Satisfaction of the civil penalty shall be at the rate of the current federal minimum wage rounded to the next highest dollar. More than one parent, guardian and child or ward may participate in the community service provided for herein, and in such event, each person's participation shall be determined on a cumulative basis for the purpose of satisfying the civil penalty.
- B. As an alternative to subparagraph (A), the responsible parent or guardian may be allowed to attend and complete an approved parenting class. Any such class shall be designated in the sole discretion of the mayor. Utilizing the parenting class alternative shall be allowed only in those instances involving either a first or second violation of this article. However, in the event of a third offense, mandatory attendance at a parenting class shall be required in addition to the monetary penalty set forth above. The mayor shall require that proof be submitted which, in the mayor's determination, demonstrates an acceptable record of attendance and completion of said parenting class.

3. The mayor shall be authorized to implement procedures and policies not inconsistent with this article upon the City Council's approval of such policies and procedures by resolution.

SECTION 2-704: REMEDY CUMULATIVE

The remedies provided in this article are in addition to the remedies and penalties under the Valley municipal code and all other laws of this state.

SECTION 2-705: APPEAL

A parent or guardian may appeal the civil penalty provided for herein by filing a written

notice with the City Council within 20 calendar days of the date upon which the parent or guardian receives notice of such civil penalty. A hearing shall be held, for which the City Council shall establish the procedures. Said procedures (1) shall contain requirements for providing the parent or guardian with notice of the hearing and an appropriate time for preparation for the same, and (2) shall not be inconsistent with any of the terms set forth in this article.

SECTION 2-706: ANNUAL REPORTS BY MAYOR

The mayor shall be responsible for providing a written report to the City Council on or about one year from the date this article is approved and adopted by the City Council. The report prepared pursuant to this article shall include, but not necessarily be limited to, the number of individuals the mayor has determined to be in violation of this article; the nature of penalties invoked for each such violation; the opinion of the mayor regarding the effectiveness of the various forms of civil penalties and alternate penalties in encouraging parental responsibility; and any observation or improvements in this article which, in the opinion of the mayor, would improve the link between parental responsibility and proper conduct by a child or ward.

SECTION 2-707: SEVERABILITY

If any section, subsection, phrase or clause of this article is for any reason held to be invalid, such decision shall not affect the validity of the remaining portion of this article. This City Council declares that it would have adopted this article and each section and subsection thereof and each phrase or clause irrespective of the fact that any one or more of the sections, subsections, sentences, phrases or other clauses be declared invalid.

ARTICLE VIII – PENAL PROVISION

Anyone violating any of the terms and conditions of any of the foregoing chapter and articles shall be deemed guilty of a misdemeanor and shall be fined in a sum not more than \$500.00 for each offense. Each day's maintenance of the same shall constitute a separate offense.
