# Construction Notice

September 1, 2023

## Asphalt Street Preservation

### CITY OF VALLEY

PO Box 682  
203 N. Spruce  
Valley, Nebraska 68064  
Cindy Grove, Mayor  
Doug Eggen, Public Works Director  
(402) 359-2251  
deggen@valleyne.org

### PROJECT UPDATE

The City's Contractor, Pave LLC, is set to begin pavement sealing on September 11th in the Subdivisions of Fern Lake and Ginger Cove. Construction is expected to last 1 week, weather permitting.

Access to the adjacent homes and driveways will be restricted temporarily for approximately a 4 hour period. One lane will be closed at times but street access will remain open throughout construction. We appreciate your patience and cooperation during the project.

### EAGLE ENGINEERING GROUP

12100 West Center Road, Suite 803  
Omaha, Nebraska 68144-3970  
Gregory Perry, PE, City Engineer  
(402) 399-0227  
gregp@eagleengineeringgroup.com

Access will be restricted at times during construction

PDC (Pavement Dressing Conditioner) is an asphalt sealant that is applied directly to pavement and cures within 4 hours after application
