Retrospect and Prospectus
of the inception and organization of the
Valley Cemetery Association
Valley, Nebraska.

Previous to the year A.D. 1881 there was no authorized burial ground in Valley precinct, from the Military Road on the north to the confluence of the Platte and Elkhorn rivers on the south and comprising all the territory between the two.
Whenever deaths had occurred among the few dwellers here the burials had generally been made in one of the cemeteries on the bluffs east of the Elkhorn river and a few were buried at the north-east corner of the north-west quarter of Section 31, Tp. 16, Range 10, which, up to about this time was railroad land.
This site was not desirable however for a permanent burial place, being too near town and at times too wet. So, when it was sold to parties who desired to occupy and farm it, our citizens realized the necessity of a new and permanent location.
Accordingly on October 13, 1881 a meeting was held at Puffer's store, Valley, and an Association formed, officers elected, and five acres of land purchased of School District No 23, the

Board of said district giving a deed of the land that evening.
The officers elected at this meeting were-W. G. Whitmore, President.
L.A. Puffer Secy. and Treasurer.
J. M. Williams, Lars Peterson and S. C. Knight, Directors.
Owing to the subsequent loss of a part of the records there is not list of all the original members of the Association, but prominent among them and active in securing and improving the grounds were Messrs. Edward Burke, A. S. Egbert, Henry Harries, Alex. Gardiner and H. Pyare.

By vote of the Association two acres was fenced and laid out into lots 20 feet square and a plot made of the part so laid out.
The first burial in these grounds was that of Adelbert C. Williams, October 12, 1881.
Subsequently most of the bodies that had been buried near Valley were removed to the new grounds, as also were some from private grounds in the neighborhood.
According to the By-laws of the Association meetings were held annually, the same officers being re-elected for several years, and the receipts from the sale of lots falling short of current expenses.
After the Secretary and Treasurer, L. A. Puffer, sold out here and left the county, J. M. Williams was elected Treasurer, Alex. Gardiner President, and

W. G. Whitmore, Secretary.

During the summer of 1888 it was found that by some oversight the Articles of Incorporation of the Association had not been filed according to law and at a meeting of members and others interested Feb. 23, 1889, it was the opinion of a majority that the best thing to do was to organize anew, and in conformity to the statute of the State; and it was voted that the Secretary be instructed to publish legal notice of a meeting for that purpose, and a committee consisting of Doct. J. N. Agee, W. G. Whitmore, J. H. Ingram, Lars Peterson and H. Byars were chosen to draft By-laws and report at a succeeding meeting.

On March 23. 1889, at the Valley school house, after legal notice had been published in the Valley Enterprise, Articles of Incorporation were agreed to, By-laws, as reported by the committee adopted, and officers elected..

As required by law the Clerk transmitted a copy of the proceedings of the meeting to the County Clerk and the same was filed for record in his office March 28, 1889.

Under the By-laws the incorporators were the lot-owners; and their names appear in the alphabetical index of proprietors, in the first part of this volume. Also a record was kept of the names of persons buried in the Valley Cemetery, with the number of the page where recorded are in the index in the last part of the book. Dear Mr. Hickman,

I was told by locale people, you know more about the cemetery than anyone else.

I am trying to find a record of John Wesley Evans — possibly he or his son Morgan (Morton?) died in 1893.

A while back I was in the cemetery - found many very old graves without markers. Do you think many of them started out with wooden markers that finally rotted away?

Are there records for the cemetery back that far?

Thank you for any help you can give me!

Sincerely,

Mrs. Henry J. Henkel

Report from Don Boberg on solution to Financial difficulties of Assn.

Two possible avenues are open to us as a solution to our difficulties.
I. Possible means of raising money and still keeping the Association operating independently.

(1) Advertise Lots in Douglas County Gazette.
(2) Initiation of Memorial Service by Amerieaan Legion on Memorial Day.
(3) Assessment of Lots when money is needed.

II. Requesting Town Council to include Cemetery in City Mil-levy.

(1) This would mean turning operation of Cemetery over to Town Council.

Don Boberg,as a committee of one, recommends that we try to keep the cemebery under the existing constitution of the Association until all means of suggested means of fund raising have been exausted. Turning Association and Cemetery Operation over to the Council only as a last resort.

The regular meeting of the Valley Cemetery association was held at the Decker Hall at 8 P.M. Officers Present - Don Boberg, President - Directors Carl Rice, Art Weber and Alvin Wickland. Others present Norma Ritner, Marie Condron & Royce Nelson.

Meeting called to order by Don Boberg with Marie Condron, acting Secretary.

Minutes of the regular meeting on May 16, 1961 at Decker Hall, Special meetings on June 6, 1961 at Gertrude Ingram home and April 9, 1962 at Don Boberg home and financial statement were read by Don Boberg. Minutes of Apr. 9, 1962 were corrected to read May 11, 1962 in place of May 8 as Decker Hall could not be used that evening. Motion by Art Weber and seconded by Carl Rice that Minutes stand approved after correction was made. Motion carried. Financial Statement - Bal. on hand Aug 2, 1961 $162.86 - Bal. on hand Apr. 9, 1962 - $87.38

Carl Rice was the only member of the nominating committee present and presented the following - Don Boberg - re-elected for 1 year as President, Royce Nelson 1 year as Secy and Treas. Art Weber (re-elected) 3 year term as Director. Motion made by Norma Ritner, seconded by Alvin Wickland that the above nominations be accepted. Carried.

Means for raising money to operate cemetery were discussed. Some members present were in favor of assessments, others were not so it was suggested a letter be sent to lot owners for donations instead of assessments some time in the future. No letters to be sent until further notice.

Motion made by Art Weber and seconded by Royce Nelson to insert

a 2 column 4 inch ad in Douglas County Gazette for two weeks, stating price of lots. Full price $100 for 1 lot, ½ lot $50.00 ¼ lot $30. Space W. side $20 and south side $10.00 Motion carried. It was hoped that inserting this ad would bring about the sale of some lots and make it unnecessary to obtain money in other ways to operate the cemetery this fiscal year.

It was decided to raise money in some way if possible so more bonds would not have to be cashed.

Plans for a Memorial Service at the Valley Cemetery were discussed. A flag pole donated by John L. Sullivan to be erected in the Northeast corner of the cemetery between the drive and School House. Art Weber offered to erect the pole without cost. Art made a motion the first Memorial service be held at 11 AM May 30, 1962 to establish a yearly Memorial Day Service. Claude H. Montgomery Post 58 to be in charge. Motion seconded by Carl Rice. Motion carried.

Motion made by Art Weber and seconded by Carl Rice that an extra blade for the mower be purchased so as to have an extra one on hand. Motion carried.

Don Boberg presented a bill of 3.33 for 12 quarts (1 case) of oil and cost of sharpening blades. Art Weber moved the bills be allowed. Royce Nelson seconded the Motion. Motion carried.

No more business - Royce Nelson made a motion to adjourn.

Dear Friends:

Valley Nebraska May 2 1963

As President of the Valley Cemetary Association, I have been delegated by Trustees to direct this letter to all lot owners, partial lot owners and interested parties of the Valley Cemetery.

You may or may not know the Cemetery is maint ained by money received from the sale of lots in the Cemetery. In the past this means provided an adequate income to maintain the Cemetery. As the years passed however, the sale of lots decreased to where now it has proven in the last few years to be an inadequate source of income.

The Board Members have found it necessary every year, during the five years that I have served, to contribute out of their own pockets to provide mowing expense, gas and oil for the mower and mower repair. This is not to mention the many hours each Cemetery Board Member spent trimming trees, graveling and grading the roads, rakeing, hauling junk, burning trash, etc.

At the Annual Meeting last year it was voted:

1. Hold the remaining $500 in J Bonds for an immergency.

2. Mail a letter of this nature to every Member and interested party requesting donations to defray immediate upkeep costs until lot sales increase.

Last year steps were taken by the Board to stimulate the sale of lots. A Memorial Service was instituted last May 30 and was very well attended. All who attended toured the grounds and found the Cemetery beautiful appearance-wize. An add was placed in the paper two successive issues preceeding Memorial Day, advertising choice lots for sale.

It is our hope that through these efforts an increased interest in the Cemetery will be stimulated and lot sales will increase sufficiently to defray the annual costs of up-keep.

Your attendance at the Annual Meeting, May 14, 1963 at Decker Hall, Valley, Nebraska is earnestly requested. If you are unable to attend or this letter reaches you too late to do so, please send your suggestions for future fund raising along with your much needed donation.

Send Letters and donations to:

Royce Nelson, Secretary, Treas.
Valley Cemetery Assn.
Valley, Nebraska

Yours Sincerely,
Donald E. Boberg
